Education in BORDEAUX II University, school of medicine, France.

Former resident and **fellow** of the hospital of TOURS, in the department of maxillo-facial and plastic Surgery of Pr BALLON from 1989 to 1996

I Conducted my **military service** in LYON for 1 year in the department of maxillo-facial and plastic surgery of Pr CANTALOUBE in 1994.

I obtained a diploma of **plastic, reconstructive and aesthetic surgery** at the **French College** in 1996 as well as the **European board of plastic & aesthetic surgery** the same year in HANOVER (Germany)

I also received a **diploma of microsurgery** of Pr GOGA (Tours) in 1994 and **diploma of senology and mammary pathology** of Pr BODY (TOURS) in 1999

I'm the author of a great number of **communications and publications** in international and national congresses from subjects ranging from microsurgery to facial rejuvenation.

I've also performed 2 **humanitarian missions** ; Bosnia in 1996 for sequelae of ballistic trauma and Morocco in 2002.

I've been working now in "les Sables d'Olonne" since 1998 where I developed the **"Aesthetic Smile Prevention Concept"** with the help of other physicians, physiotherapists, psychotherapists, dieticians, osteopaths and a centre of well-being titled **"Light Motiv Spa"**

I hold membership of the **"Conseil départemental de l'Ordre des médecins »**, **SOFCPRE** and **SOFCEP** (French societies of plastic and aesthetic surgery)

I'm an **ex-member of JCI** (www.jci.cc) and was president of the Sables d'Olonne Junior Chamber.

Research interest :

Holistic anti-ageing medicine

Facial rejuvenation
